Because the patches are dated and because we don't know this year's demand, the patches must be paid for when they are ordered and are non-returnable. We can continue to order patches as long as the National Distribution Center has them in inventory.

If paying by Scout Shop account or credit card, this form can be e-mailed to [scoutshophovc@scouting.org](mailto:scoutshophovc@scouting.org). You can call the Shop at 804-204-2628 with credit card information.
