

Sea Scouts

Sea Scouts is a program within Scouting America for young people ages 14 to 20, focusing on maritime activities, leadership, and outdoor adventures. It combines traditional Scouting principles with a nautical twist, allowing youth to explore boating, sailing, navigation, and water safety while building character, responsibility, and teamwork.

Sea Scouts meet in units called "ships," where they participate in hands-on activities such as sailing, boat maintenance, maritime history, and water-related service projects.

The program also emphasizes leadership development, as Sea Scouts take active roles in organizing and leading their ship's activities, learning practical skills while building confidence and independence.

Why Become a Chartered Partner?

A chartered partner is an organization that sponsors a Sea Scout ship, and the relationship provides numerous mutual benefits:

- 1 Community Engagement:** Partnering with Sea Scouting allows an organization to directly engage with families in the community. It fosters goodwill, strengthens community ties, and promotes positive values through youth outreach.
- 2 Leadership Development:** By sponsoring a Sea Scout ship, organizations can nurture the next generation of leaders. Scouts develop essential skills like teamwork, responsibility, and problem-solving, which benefit the community and the workforce.
- 3 Volunteer Opportunities:** Involvement in a Sea Scout ship offers your members or employees a meaningful way to give back through service projects and other Scouting activities.
- 4 Promotion of Nautical and Outdoor Recreation:** For organizations tied to outdoor recreation, water sports, or environmental conservation, Sea Scouts is an ideal fit. Sponsoring a Sea Scout ship directly supports activities like sailing, boating, and water safety, aligning with values of adventure, fitness, and environmental awareness.

By sponsoring a Sea Scouts ship, chartered organizations not only contribute to youth development and maritime education but also enhance their reputation as advocates for leadership, adventure, and community service. This partnership offers meaningful engagement with youth while promoting a positive community presence.
