Five Main Goals

1. Retain Youth and Adult Leaders
 - Program participation = Great Experiences
 - Free opportunity to get more Scouts to participate
2. Grow Members – Make it easier for new families to join
 - More activities for families to participate in at a lower cost
3. Assist units with council-wide programs that are already planned
4. Provides cost free training resources to support adult leaders
5. Have the finest facilities to provide better programs to attract and retain youth membership

Why Program Fee Increase?

- 1. This is how we help fund the delivery of programs to our HOVC Scouts**
- 2. Council will help Packs and Troops grow new youth members**
 - New member monthly payment plan option. HOVC will cover the upfront costs to National BSA \$100,000 – give more parents opportunity to join through a monthly payment plan option (outlined in FAQ)
 - Not for returning Scouts who can do fundraisers within units and build their Scout accounts
- 3. Decrease in members impact our ability to effectively deliver local programming**
 - ScoutsBSA Summer Camp Attendance – 25% of HOVC units camp at HOVC Scout Camp in 2024
 - Cub Resident Summer Camp – 277 people participated (youth and adults) in 2024
 - Fewer Units participated in Council Fall Product Sales – 37% of units sold Fall products
 - Scout Shop sales down
